**Re: AST Telecom LLC Prepaid Calling Card Certification for January 1, 2018 to
March 31, 2018 and Request for Confidential Treatment**

Dear Ms. Dortch:

Enclosed please find AST Telecom LLC's redacted public version as well as confidential version of the Prepaid Calling Card Certification for the period of January 1, 2018 to March 31, 2018, as required in WC Docket No. 05-68.

We respectfully request that the information contained in the Officer Certification be kept confidential and have thus attached, a formal letter of request to treat the information provided as confidential and not subject to public inspection. Due to the nature and content of the information provided in the certification, we believe that publication of such information would be detrimental to our business. As such, the Certification is marked as "Confidential Treatment Requested, Not for Public Inspection". However, we also enclose a redacted version of the Officer Certification which may be published.

Thank you for your kind consideration to our request. Should you have any questions, please contact me at 684-258-2759.

Sincerely,

A handwritten signature in black ink, appearing to read "Douglas Creevey", written over a large, faint, light blue circular watermark that resembles a stylized globe or a large letter 'A'.
